SPONSOR FACT SHEET

The Happiness Road Tour (HappyRT) has been created as a happiness movement for adults because there is such a deep need for it. Those who experience the HappyRT will go away encouraged, inspired and motivated to do good – in their families, their companies, their networks and their communities to make this a better and happier world for all of us.

The first HappyRT event will take place in 2018 -- a ticketed evening event with an emcee presenting top-notch entertainment interspersed with inspirational messaging in a comfortable, stylish venue. Guest experts/entertainers will host some of the VIP ticketed tables. Passed hors d'oeuvres and drinks will enhance the lounge-like, interactive setting and create a friendly and welcoming atmosphere with a line-up that includes local performers and personalities. Local charity, Max Cure Foundation (“helping defeat childhood cancer”) will receive all ticket sales pending title sponsorship. The overall mission is to expand the Happiness Road Tour to major cities across the country.
